

Erasmus + Call for proposals 2020 — Deadline 05 February 2020

Action: Erasmus KA1 /Mobility projects for young people and youth workers / Youth Exchange

Field: Youth

Target group: Young people sensitive on environmental issues. Age: 18-25

Participants: 5 participating teams (consisting of 6 young people and 1 youth leader) from 5 different EU countries

Project Title: Climate on emergency

Main aim of the project: To enhance young participants' knowledge on topics of high-priority about climate change while provide them with a clear explanation of terms and definitions that are widespread- used in the field of environmental policies.

Objectives of the project:

- Comprehend the meaning of terms used in policy papers, articles, news and discussions about environment and climate change
- Enhance knowledge about terms such as sustainability, resilience, renewable sources etc.
- Raise awareness about environmental and climate change issues
- Raise awareness on policies being developed at EU and national level on combatting climate and environment alienation.
- Motivate participants to be part of a sustainable lifestyle
- Enhance participants' competences, active citizenship and social engagement

Summary of the project: This Youth Exchange aims to familiarize the participants with popular terms regarding climate change and environmental issues and enhance their knowledge on

policies that are being developed at national and EU level. During the days of Exchange, the participants will have the opportunity to deepen their understanding on terms such as sustainability, renewable sources, resilient cities etc through a set of non-formal activities and tools. Each day of the Exchange will be dedicated to a specific term upon which the young participants will discuss, explore their knowledge and participate to interactive games and activities to better understand their meaning and applications. At the end of the Exchange, a booklet will be produced by the participants containing materials developed during the Exchange.

Consortium: Organizations active in the fields of Youth, non-formal learning, Active citizenship and Environment.
